**Bank of Luxemburg Looking For “Insight”**

**Luxemburg, WI, November 25, 2008—**

The Bank of Luxemburg is proud to announce the hiring of Insight Creative Services of Green Bay for all their marketing and advertising needs. For years, the Bank of Luxemburg and Insight Creative Services have teamed up on projects stemming from direct mailings to radio commercials as well as the strategic planning and placement of said ads. However, due to the solid working relationship between the two businesses, the Bank of Luxemburg is now directing all of their marketing requests to Insight Creative Services effective immediately. Insight is thrilled to have the opportunity to continue building a positive working relationship with the Bank of Luxemburg, a long-standing and valued client. “We can help grow Northeast Wisconsin businesses in any capacity, but of course, it’s very exciting to have a well-established business like the Bank of Luxemburg ask us to do it all,” says Insight President Jim von Hoff.

Insight is a Green Bay based advertising agency offering complete creative and strategic advertising and marketing for businesses and industry. Insight is located at 1816 Sal Street in Green Bay. For more information, Insight can be found at [www.insight-creative.com](http://www.insight-creative.com) or by calling 920-468-7459.
