New Information Technology Director at Bank of Luxemburg

Luxemburg, WI, August 13, 2009—Bank of Luxemburg proudly announces the hiring of Joel Williquette, Information Technology Director. Joel’s day to day responsibilities involve leading the bank’s technology initiatives. He will evaluate the needs of the bank and find the correct technology-related solutions including employee training, evaluating new business systems, and overseeing network infrastructure change.

Joel brings with him a wide-array of experience. Joel spent half his career working as a technology consultant, and the other half working directly with fortune five hundred sized companies. Joel’s specialties included Microsoft networks and project management.

Joel says, “I’m very excited to be serving the Luxemburg and surrounding communities. Bank of Luxemburg in particular has a real dedication to technology and their customers which makes it a really wonderful place to work.”

Bank of Luxemburg has locations in Luxemburg, Forestville, Algoma, Green Bay, Dyckesville, and Casco, Wisconsin, to serve all your banking needs and can be found online at www.bankoflux.com for more information.
